# VIC'S VIDS TRUCKERS

I'm sure lots of you will have seen the ace television series called 'Truckers', featured recently on ITV, about little characters called Nomes, just four inches high, who came to Earth many years ago. Being so small, this big world of ours poses many problems for them, which makes every day an exciting adventure. Well, there's now a video out that's a feature-length version of the TV serial. It's from 'The Video Collection', and they've sent me 10 VHS copies to give away as FREEBIES. If you'd like a copy simply send your name and address on a postcard, or back of a sealed empty envelope to TRUCKERS FREEBIES at the Buster address. Senders of the first 10 entries pulled from our postbag after 4th June, which is the closing date, will get the goodies.

## RAD RAP

My brother buys BUSTER every week -  
When he's read it, into his room I sneak  
And take the comic far away -  
I could read it through all day,  
It's really cool and bright,  
But now my brother knows,  
he keeps it in his sight.

WOODLEY, READING.

you're really soppy:
